## Empowering the Guardians of Selva Maya: Creating a Path to Equitable Market Access for Sustainable Livelihoods and Forest Conservation

Luiza Lucena

PhD student, Department of Forest Resources

Friday, October 27, 12 -1 pm CT

537 Heller Hall (ICGC)

Live Stream Available @ [www.icgc.umn.edu](http://www.icgc.umn.edu)

This talk will delve into the critical role of forest communities and Indigenous Peoples in the context of forest conservation. It will discuss mechanisms aimed at empowering these communities to establish equitable market access for both timber and non-timber forest products, with the ultimate goal of enhancing livelihoods and fortifying forest conservation initiatives within the Maya Forest.
